Print your own textile christmas cards and table linen for your festive table. You will print 6 napkins and a table runner using Indian woodblocks or your using your own designs that we cut out in rubber. This is suitable class for those with no or little experience of fabric printing.

Textile printing

-Six-week introduction evening class.

6-week course, Tuesdays: 18.30 –21.30

Starting date: Tuesday 17 January 2012 (with break for half term)

Price: €180 (18 hour course) Cost of materials not included. Only six places

This is a course that will introduce you to textile printing, covering the basics skills and thinking behind surface design as well as different printing techniques on to fabric. The course is thought in such a way that students easily can adapt the printing to their own kitchen table.

No previous art experience is needed only an interest for colour and pattern.

“Textile printing inspired by colorful feasting”

- five-week topic lead printing class.

5-week course, Fridays: 10.30 –15.30

Starting date: Friday 13 January 2011 (with a break for the half term week)

Price: €250 (25 hour course). Cost of materials not included. Only six places.

Let your favorite recipes inspire you to do unusual textile designs!

This unusual 6-week printing class will use and explore food as the inspiration for the development of your designs. Your starting point will be a recipe of your choose and complimentary research material in form of photos and drawings of the process, the ingredients and the cooking utilities. These will act as your starting point for the development of designs suitable for kitchen textiles such as tea towels, aprons, napkins and table runners. Techniques used will be block printing, mono printing and screen-printing. The end product for each student will be an individually designed and printed collection of kitchen textiles. The course is suitable for beginners as well as for those familiar to with process

After the six weeks a specific inspirational cook /design book will be compiled and each student get their own copy. (cost not included in course price) In the book each participant's recipe, process and end product will be documented - This will be a colorful and highly unusual book.

Give grannie's dining-room chair a facelift....

- a weekend workshop.

3-4 March 2011 10.30- 16.30

Price: €140 including lunch both days. Only 6 places

This workshop will help you transform an old dining room chair into something very special. Bring along a chair, some plain fabric and an idea for what to print. Leave with 48 hours later with your own very personal chair.
